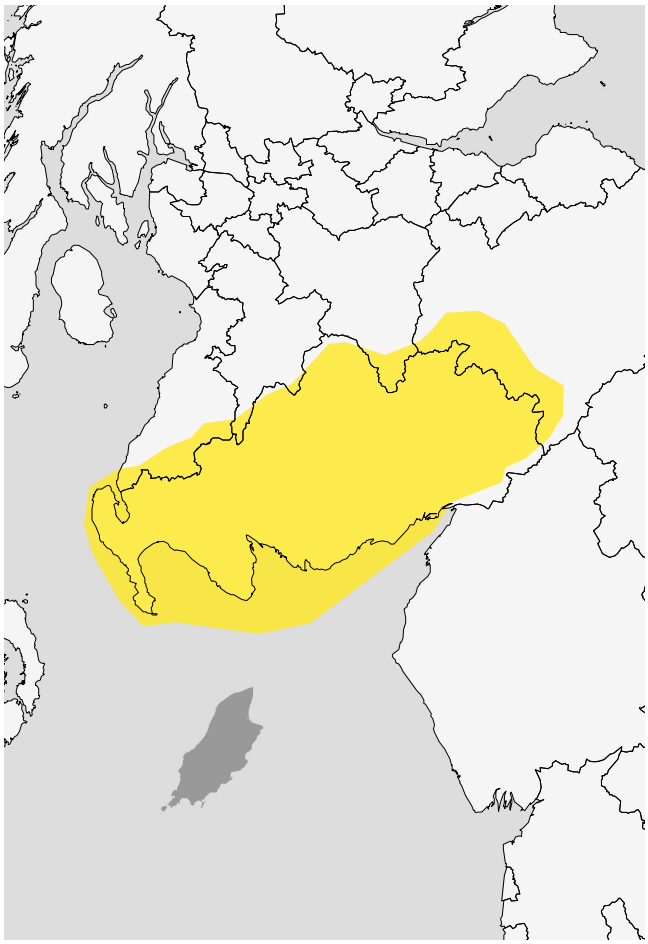
Yellow warning
Rain

Between
00:00 Tue 23 Feb 2021 and
18:00 Wed 24 Feb 2021



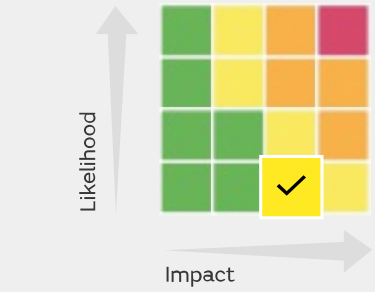
Another spell of persistent wet weather may lead to flooding.

What to expect

- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- Spray and flooding could lead to difficult driving conditions and some road closures
- There is a small chance that some communities become cut off by flooded roads
- There is a slight chance of power cuts and loss of other services to some homes and businesses
- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services

Further details

There is the potential for a spell of persistent and at times heavy rain during Tuesday and Wednesday. Whist rainfall totals are currently uncertain there is a reasonable chance that the heaviest rain will fall over parts of south and southwest Scotland. Strong southerly winds are likely to accompany the rain.



Very low likelihood of medium impacts
